Bid Reports and Extracts

DecisionDirector provides bid reports and extracts through the Reports/Extracts links found at the top of each document (and document section), as well as at the bottom of the list of documents in the Collaboration Summary.

The screenshot shows the DecisionDirector interface for Activity: SAMPLE >> HR/Payroll RFP 2015-A0027. The 'Collaboration Summary' tab is active, showing a list of documents. A modal window titled 'DecisionDirector Reports / Extracts' is open, displaying two options: 'Bid Response Extract' and 'Bid Requirements Extract'. The 'Bid Response Extract' option is highlighted with a red box and a blue callout that says 'Returns all saved responses'. The 'Bid Requirements Extract' option is also highlighted with a red box and a blue callout that says 'Returns all requirements'. In the background, the 'Reports / Extracts' link is visible at the bottom of the document list, also highlighted with a red box and a blue callout.

The screenshot shows the DecisionDirector interface for Activity: SAMPLE >> HR/Payroll RFP 2015-A0027. The 'Responses' tab is active, showing a list of documents. The 'HR Functional Questions' document is selected and highlighted with a red box. A blue callout points to the 'Reports / Extracts' link next to the document, with the text 'Reports and extracts for the selected document'. The 'HR Functional Questions' document is also highlighted with a red box.
